

Classical Arts Centre Project

September 23, 2017

Lake County Fairgrounds
4-H Building

Hello!

I'm participating in the Dance for the Arts Marathon Saturday, September 23, 2017, hosted by Indiana Ballet Theatre (IBT). The Dance Marathon is a fundraiser for the Classical Arts Centre Project (CAC), which will serve as a hub for all arts and artists throughout Northwest Indiana. CAC will offer events and arts classes that will be open to the community. It will be the CENTRE OF OUR COMMUNITY!

CAC Project is a near century old, 3-story, former nurse's home. It was left abandoned for decades when IBT's Founder-CEO Gloria Tuohy, decided to take on the project and convert the building into an amazing space for all to enjoy. The exterior of the building (Phase I) has already been completed. The interior work (Phase II) is set to begin this summer. The facility will include a black box theatre, event space, and spaces for music and dance rehearsals, and a bistro.

On September 23rd, I will join several hundred and we will Dance for the Arts TOGETHER! Please help me reach my goal of \$_____, which allows me to participate in _____ fun-filled hours of dancing in the Dance Marathon. Thank you in advance for your support!

Sincerely,

INDIANA BALLET THEATRE | 8888 LOUISIANA STREET | MERRILLVILLE, IN 46410
