

# 2019 Summer Tuition breakdown

Explanation of chart: Tuition is based on the number of hours each dancer dances per week. **Column 1:** Number of hours - after 5 hours your dancer is considered unlimited and may register for as many classes as they would like at or below their level. **Column 2:** Tuition for the first dancer in each family. In a family with multiple siblings who dance, this is the dancer with the most number of hours per week. **Column 3:** Tuition for each subsequent dancer in the family. Family is defined as siblings/step-siblings living in the same household
