

2020-2021 Tuition Schedule

Explanation of chart: Tuition is based on the number of hours each dancer dances per week. **Column 1:** Number of hours, after 7 hours your dancer may register for as many classes as they would like at or below their level. **Column 2:** Tuition for the first dancer in each family if paid monthly*. In a family with multiple siblings who dance this is the dancer with the greatest number of hours per week. **Column 3:** Tuition for each subsequent dancer in the family if paid monthly*. Family is defined by siblings/step siblings living in the same household.

Monthly tuition is based on 10 equal payments paid September through June. Our "school year" is from August 17th through recital in June. First month tuition is based on the number of weeks remaining in the year.
