September 2021

Dear Sponsor,

Indiana Ballet Theatre (IBT) is very excited to invite you to share in the production of our 15th annual fundraiser Gala: "SnowBall".

Please join us for this exciting and experiential fundraising event! Sponsorship of IBT's Snowball Gala at any level provides tickets to this year's event, plus additional benefits in accordance with your sponsorship level. We offer recognition in the form of **advertising** in our Gala program, performance programs, on our IBT website, e-blasts, and printed materials. We will continue to thank you with **performance tickets** to the 2021/2022 season of Nutcracker, Kaliedoscope, and Sleeping Beauty productions.

Our Gala is the primary fundraiser which supports the Classical Arts Centre renovation project that will serve as future home to IBT and a hub for all the arts. Located at the northern gateway to the city, the 1930s Georgian Revival building was the Nurses' Home for the Lake County Tuberculosis Sanatorium in Crown Point. It is one of the last such buildings in the world. It will become a wonderful arts destination addition to Northwest Indiana. The Classical Arts Centre will center our community on the arts! With your help and support we are very close to completing renovation of the inside of the building in 2022.

IBT's SnowBall will begin at 6:00 pm, Friday, November 5th, at the centrally located and elegant Halls of St. George in Schererville, Indiana. A special performance by the IBT Dance Company will provide entertainment. The evening will be filled with dinner, dancing, silent auction, paddle-raise, raffles, and games. Join hundreds of local leaders and community members as we gather to celebrate the beauty of fine and performing arts in our region. We promise to entertain, delight, and surprise you!

For more information on IBT's SnowBall or the Classical Arts Centre, please call IBT's Main Office at 219.755.4444, email info@ibtnw.org, or visit us online at www.ibtnw.org.

In appreciation of your support,

2021 SnowBall Gala Committee
