Letter of Absence from School

To Whom It May Concern,

I am writing to inform you that [Child's Name] will be absent from school due to their performance with an international ballet company from Ukraine named "State Ballet Theater of Ukraine." They will perform in Swan Lake on November 13, 2025. Please excuse their absence and provide any necessary information about makeup work or tasks to be performed during their absence.

We understand the importance of regular class attendance and strive to maintain good communication with the school to ensure minimal disruption to learning. During their absence, we will ensure that [Child's Name] keeps up with school assignments. We kindly ask you to provide us with any assignments, readings, or other materials they miss during this period. We will make sure that the child completes all necessary work as soon as they return to school.

Please let us know if there are any additional steps or procedures we need to follow to ensure a smooth transition back to class. We value the importance of education and want your child to receive the support they need during their absence.

Should you require further information or documentation, please do not hesitate to contact me at (877) 777-6688 or email mak.classicalarts@gmail. I will be available to discuss any issues or answer any questions.

Thank you for your understanding and cooperation. We really appreciate your help in this matter.

Sincerely,

Michael Art
