Dress Rehearsal is a CLOSED rehearsal. This means that parents who are not volunteering will need to drop their dancer off at the Check In Table and they can be picked up at the security table after they are done rehearsing. Please note that rehearsal times are fluid. Sometimes it can take a few extra minutes to get some of our younger dancers on the stage to rehearse as some of them can become overwhelmed during rehearsal. We ask that you be patient with us and we will get your dancer to you as soon as we can. Dancers should arrive in their (first) costumes ready to perform. If you do not bring your dancer ready there is a public restroom in the main hallway when you enter, and you can dress your dancer there. Please note that there is VERY limited seating in the main hallway.
