

2026-2027 Tuition Schedule

Explanation of chart: Tuition is based on the number of hours each dancer dances per week. **Column 1:** Number of hours, after 7 hours your dancer may register for as many classes as they would like at or below their level. **Column 2:** Tuition for the first dancer in each family if paid monthly*. In a family with multiple siblings who dance this is the dancer with the greatest number of hours per week. **Column 3:** Tuition for each subsequent dancer in the family if paid monthly*. Family is defined by siblings/step siblings living in the same household.

Our "school year" is from August 17th through recital in June. Monthly tuition remains the same regardless of the number of classes in a month. Some months may have 3, 4, or 5 weeks; therefore, weeks are made up in other months and tuition remains the same.
